

Details Matter

Modern. Customer Driven Forwarding.

UK Global Provider

Efficiency at Scale

Activ8 is a modern UK Independent Global Logistics Provider. With a desire to put customers first, we are committed to providing the best value solutions with the highest levels of service. Our infrastructure is designed to handle complex international transportation with precision and transparency.

"We focus on building a business that is customer driven, with customer needs at the heart of what we do."

Comprehensive Solutions

Consolidation

Multi-supplier consolidation for maximum cost efficiency. Air and Ocean.

Inventory

Advanced inventory management systems for real-time tracking.

Packing

Professional packing and storage solutions for all cargo types.

Customs

Expert local and international customs brokerage solutions.

Air Freight Solutions

Reliable Transit

We specialize in Back-to-Back and Consolidated movements, involving weekly assembly to ensure speed and value.

Our carrier relationships allow us to maintain high service standards while providing timely On-Hand Reports and regular proactive communication.

Ocean Freight Excellence

Global Maritime Reach

We handle Full Container Loads (FCL) and Part Loads (LCL) with specialised focus on consolidated movements.

By leveraging key carrier relationships, we provide unmatched value and high service standards, with regular communication and a strict intention for detail.

Road & Customs Integration

Road Freight

FTL (Full Truck Load) and LTL (Less than Truck Load) services are available throughout the UK and EU, ensuring your cargo reaches its destination via the most efficient routes.

Customs Brokerage

Local and international customs brokerage solutions available, aiding the supply chain further and ensuring seamless border crossings.

| Key Vertical: Publishing

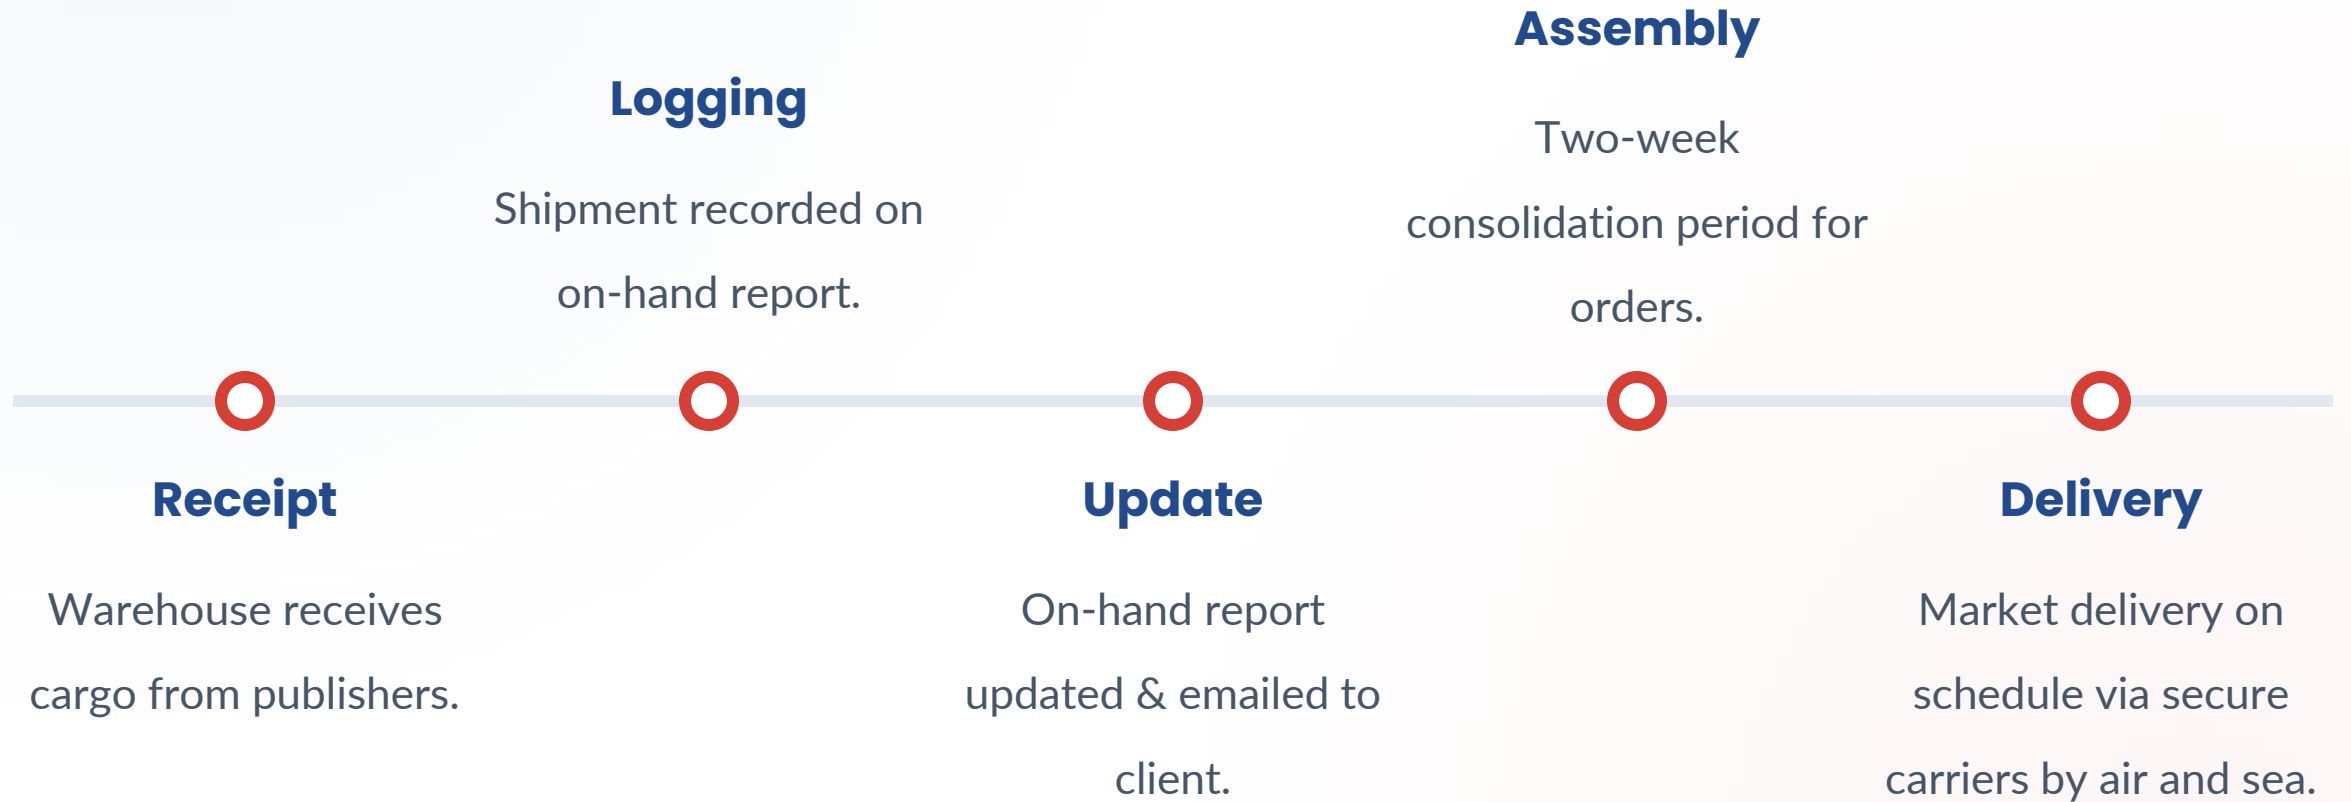

Deep Industry Roots

With 30 years of experience within the publishing supply chain, we offer specialised consolidated movement by air and sea with a personal touch. Our world-class air export services specifically for books are built on a foundation of attention to detail and industry-specific expertise.

The Book Export Journey

Logistics Management for Books

Process Step	Standard Operation	Value Added
Reporting	Shipments updated promptly on recording	Latest report emailed or available on request
Assembly	Two-week consolidation window	Accommodates last-minute orders
Rate Negotiation	Secure competitive air/ocean rates	Preferred carrier relationships minimize delays
Tracking	Ongoing communication throughout	Full information for the customer at all times

Specialised Logistics

General Cargo

Time-critical air solutions available for General Commercial Cargo. Both direct and indirect services are available to suit your urgency.

Express Courier

Small packages moved without hassle. Perfect for urgent documents, samples, or lightweight shipments needing rapid transit.

***Attention to detail and customer
driven forwarding is at the heart
of our business.***
